

Infection & Immunology Meeting

1. Forum Infektiologie Rhein-Ruhr

Tuesday 23 & Wednesday 24 November 2010

Venue: University Hospital Essen, Robert Koch House, room 0.38 ground floor,
Virchowstr. 179, 45147 Essen

Tuesday, 23 November 2010

9:45 h	Welcoming address Prof. Ulf Dittmer
10:00 – 11:00 h	Karl Lang (Düsseldorf): <i>Mechanisms of virus induced immunopathology</i>
11:00 – 12:00 h	Veit Hornung (Bonn): <i>DNA recognition by the innate immune system</i>
12:00 – 13:30 h	LUNCH
13:30 – 14:30 h	Matthias Gunzer (Magdeburg): <i>Immune cell migration observed directly – focus on neutrophil granulocytes</i>
14:30 – 15:30 h	Manfred Lutz (Würzburg): <i>Dendritic cells as inducers of immunity or tolerance</i>
15:30 – 16:00 h	BREAK
16:00 – 16:20 h	Student
16:20 – 17:20 h	Jane McKeating (Birmingham): <i>The ins and outs of hepatitis C virus</i>
17:20 – 18:20 h	Reinhold Schirmbeck (Ulm): <i>The hepatitis B virus infection: novel strategies to induce therapeutic CD8 T cell-stimulating vaccines in murine model systems</i>

Infection & Immunology Meeting

1. Forum Infektiologie Rhein-Ruhr

Tuesday 23 & Wednesday 24 November 2010

Venue: University Hospital Essen, Robert Koch House, room 0.38 ground floor,
Virchowstr. 179, 45147 Essen

Wednesday, 24 November 2010

9:00 – 10:00 h	Hans-Martin Jäck (Erlangen): <i>Control of humoral immunity</i>
10:00 – 11:00 h	Mireia Pelegrin (Montpellier): <i>Vaccine-like effects of antiviral monoclonal antibody-based immunotherapies</i>
11:00 – 12:00 h	Bernhard Homey (Düsseldorf): <i>Chemokine-driven cell-cell communication: From inflammation to metastasis</i>
12:00 – 13:30 h	LUNCH
13:30 – 13:50 h	Student
13:50 – 14:50 h	Siegfried Weiss (Braunschweig): <i>Bacteria mediated therapy for solid tumors</i>
14:50 – 15:10 h	Student

AIRDE

ALLIANCE FOR INFECTION RESEARCH
DÜSSELDORF – ESSEN

Infection & Immunology Meeting - 1. Forum Infektiologie Rhein-Ruhr

Tuesday 23 November & Wednesday 24 November 2010

Venue: University Hospital Essen, Robert Koch House, room 0.38 ground floor,
Virchowstraße 179, 45147 Essen

Registration

I would like to participate in the *Infection & Immunology Meeting*

Participation fee:

- 60 € for professors, research assistants etc.
- 30 € for students
- free of charge for PhD students enrolled in BIOME

Name & Institute (Please, in BLOCK LETTERS):

Date:

Signature:

Contact:

Daniela Catrini
Coordination Ph.D. Fellowship 1045
Modulation of host cell functions to treat viral and bacterial infections
